BHAVANA L

COMPUTER SCIENCE STUDENT

bhavanalokesh23@gmail.com | 7019839858 | https://www.linkedin.com/in/bhavana-lokesh-b5a847447

SUMMARY

Motivated MCA student with hands-on experience in Full-Stack Web Development, Database Management, and Cloud-Based Application Development. Proficient in PHP, MySQL, HTML, CSS, JavaScript, Bootstrap, and Firebase, with practical experience in developing dynamic web applications. Familiar with AWS services, including EC2, RDS, and S3, through an AWS-based Real Estate Property Discovery and Listing Platform. Also possess knowledge of Python, Java, and Data Analytics. Demonstrates strong problem-solving abilities, adaptability, and a willingness to learn new technologies.

PROJECTS

AWS-Based Real Estate Property Discovery and Listing Platform **Present**

- Developed a cloud-based real estate platform using PHP, MySQL, and AWS services.
- Implemented property listings, admin approvals, search filters, and visit scheduling.
- Integrated AI-powered property search and recommendations for buyers.

MediCare – Hospital Management System

- Developed a hospital management system using HTML, CSS, JavaScript, and Firebase.
- Implemented appointment booking and patient management features.
- Integrated QR code-based payment functionality for convenient transactions.

Employee Management System

- Developed a desktop application using Python, Tkinter, and SQLite.
- Implemented employee record management with add, view, update, and delete functionalities.
- Integrated employee search and organized data storage to reduce paperwork and improve efficiency.

EDUCATION

Master of Computer Applications (MCA)

City Engineering College, Bengaluru
Visvesvaraya Technological University (VTU)

Nov 2025 - Present

Bachelor of Computer Applications (BCA)

Aug 2022 - June 2025

Ramanashree Academy of Management,
Bengaluru
Bangalore University
CGPA: 8.21

Pre-University Course (PUC)

Rajajinagar PU College, Bengaluru
Percentage: 76%

KEY SKILLS

- PHP & JavaScript
- MySQL
- HTML & CSS
- AWS (EC2, RDS, S3)
- Python
